About the engagement

KPMG Corporate Finance LLC (KPMG CF) acted as the exclusive financial advisor to Renovar Energy Corp. (“Renovar”), a landfill gas to energy developer in the US, on its sale of a portfolio of four medium-Btu landfill gas projects (the “Portfolio”) to MAS Energy, LLC, a developer, owner, and operator of renewable energy systems throughout the world. Terms of the transaction were not disclosed.

The Portfolio sells approximately 75,000 MMBtu of landfill gas per month under long term Gas Purchase Agreements. The offtakers include a combination of local utilities and credit worthy corporate counterparties.

KPMG CF’s relationships and experience in the landfill gas sector were critical to completing the transaction. Larry Gilbert, President at Renovar, commented, “KPMG CF’s unparalleled industry expertise was instrumental in achieving the right transaction for our business. KPMG CF’s extensive network in the renewable energy space put us in front of the right buyers.”

Global coverage. Industry knowledge. Middle-Market focus.

The global Corporate Finance practices of KPMG International’s network of independent member firms was ranked #1 as the top M&A middle-market adviser globally by Thomson Reuters SDC based on number of completed transactions, and has been named the #1 Global Mid-Market firm and Global Private Equity Mid-Market firm, by Bloomberg M&A Advisory League Tables, for 2016.
