

KPMG Corporate Finance LLC acted as exclusive financial advisor to Arizona Instrument on its sale to AMETEK

KPMG Corporate Finance LLC (“KPMG CF”) acted as the exclusive financial advisor to Arizona Instrument LLC (“AZI” or the “Company”), a provider of differentiated, high-precision moisture and gas measurement instruments for use in mission-critical applications, on its sale to AMETEK, Inc.

AZI products are sold under two well-recognized brand names, Computrac and Jerome, to a diverse set of global blue-chip customers, including Fortune 500 companies and large governmental agencies. Headquartered in Chandler, AZ, AZI joins AMETEK as part of its Electronic Instruments Group, a leader in the design and manufacture of advanced instruments for the aerospace, power, process and industrial markets.

“Arizona Instrument is an exciting addition to AMETEK’s growing presence in the food, pharmaceutical and environmental markets and nicely complements our Brookfield viscosity measurement business,” comments David A. Zapico, AMETEK Chairman and Chief Executive Officer. “Its high-quality products are supporting customers’ increasingly complex production processes and more stringent environmental and safety standards.”

AMETEK is a leading global manufacturer of electronic instruments and electromechanical devices with annual sales of more than \$4.0 billion. AMETEK’s Corporate Growth Plan is founded on four key strategies: Operational Excellence, Strategic Acquisitions, Global & Market Expansion, and New Products.
