

KPMG Corporate Finance LLC acted as exclusive financial advisor to ICOR International on its sale to The Chemours Company

KPMG Corporate Finance LLC (“KPMG CF”) acted as exclusive financial advisor to ICOR International (“ICOR” or the “Company”), a privately-owned supplier of branded, ozone safe refrigerants and related products for HVACR applications in North America, to The Chemours Company (“Chemours”).

“ICOR has developed an excellent reputation with contractors and equipment owners, has strong brands and an extensive distributor network, all of which will be a valuable addition to Chemours and enhances our ability to meet our customer needs in North America,” said Diego Boeri, vice president of Chemours fluorochemicals business.

“Chemours is establishing itself as a new kind of chemistry company and we are excited to join them on this journey,” said Gordon McKinney, vice president of sales and COO of ICOR International.

Chemours, created from DuPont’s performance chemicals businesses, is a global chemistry company with leading market positions in titanium technologies, fluoroproducts, and chemical solutions.
