

KPMG Corporate Finance LLC advises Random42 on its sale to Graphite Capital

About the engagement

A global team of KPMG Corporate Finance professionals in the U.S. and the UK (collectively "KPMG CF") acted as lead adviser to Random42, a portfolio company of Vespa Capital, on the sale of the business to Graphite Capital, for an undisclosed consideration. The transaction represents one of the most high profile deals of the year in the emerging medical communications and animation space.

Random42 is a global market leader in medical animation and digital media services to the healthcare and pharmaceutical industry. Its core capabilities include 3D animation, Virtual and Augmented Reality experiences, interactive services and mobile applications. Random42's products and services are typically used by its clients to explain the underlying science during the drug discovery and launch process and for corporate communication and education purposes.

Global coverage. Industry knowledge. Middle-Market focus.

The global Corporate Finance practices of KPMG International's network of independent member firms was ranked #1 as the top M&A middle-market adviser globally by Thomson Reuters SDC based on number of completed transactions, and has been named the #1 Global Mid-Market firm and Global Private Equity Mid-Market firm, by Bloomberg M&A Advisory League Tables, for 2016.
