### About the engagement

A global team of KPMG Corporate Finance professionals in the U.S. and the UK (collectively “KPMG CF”) acted as exclusive financial advisor to Concentra Analytics on its capital raise led by One Peak Partners.

Concentra Analytics was formed in 2008 to bring data science to management practice in a sustainable way. Concentra Analytics builds Software as a Service (“SaaS”) data solutions that enable businesses to capture, manage and use data to analyze and transform their operations. A two-time winner at the Corporate Vision Technology Innovator Awards, in 2016 it was named the ‘Most Innovative Business Analytics Company’ and its flagship product, OrgVue, was awarded ‘Best Strategic HR Product’ as well as voted a ‘Gartner Cool Vendor in Human Capital Management’.

KPMG CF’s deep industry knowledge and positioning of Concentra for its capital raise were critical to completing the transaction. Utilizing the international network of KPMG CF to drive competitive interest resulted in an efficient process and a positive outcome.
