About the engagement

KPMG Corporate Finance LLC ("KPMG CF") acted as the exclusive financial advisor to TRS Technologies, Inc. ("TRS") on its sale to Tayca Corporation ("Tayca").

Founded in 1991, TRS is a leading provider of single crystal and ceramic piezoelectric materials which are fundamental components in a wide range of sensor applications, including medical ultrasound imaging, sonar, and ultrasonic devices. TRS is one of only four single crystal piezoelectric materials providers worldwide, and is the primary supplier to multiple blue-chip OEM customers.

Headquartered in Osaka, Japan, Tayca is a global supplier of specialty industrial chemicals and products. The acquisition represents an important growth pillar for Tayca, and was a highly successful outcome for TRS shareholders as well as for Tayca.
